

Blue Team

Goals:

1. To give students more experience before doing real-life scenarios
2. To be more conservative with money
3. To allow students to engage with science without being exposed to chemicals

Identify Resources and Examples:

3 Promethean Boards and Software- \$9237

Froguts- \$300/year (Allocate \$2,000 for this=4 years)

Poll Everywhere- Free

15 Flip Cameras- \$110 per camera (\$1650 total)
